RE: Educert Testimonial

Dear John ,

On behalf of the Canadian International School Pte Ltd we would like to extend our appreciation for your guidance during this Edutrust certification process. In August 2012 we received the four year accreditation from the Council for Private Education which followed our initial one year provisional certificate in 2011. The Educert team are very professional in their approach, knowledgeable on the subject matter, highly organized, good communicators and provided a well structured system to implement.

Thank you Educert for helping the Canadian International School achieve our goal.

Best regards,

Brian Tucker
