Testimonial for Mr. John Ooi

Mr. John was appointed to assist us for our EduTrust Assessment in 2016. He demonstrated good understanding of the EduTrust Framework and its' requirements, and skilfully guided us in all of our policies and practices. He was also very professional, organized and thorough in his approach. His commitment to seeing us succeed in this endeavor was evident in all of our consultation sessions and email correspondence. His valuable guidance has definitely played a significant role in our attainment of the EduTrust Award.

We at NATC Institute are grateful for the help rendered by Mr. John and would strongly recommend him to other PEIs as a Consultant.

Best Regards,

Alice Lek
