To whom it may concern:

We have engaged Mr John Ooi in Sep 2018 to assist in our preparation for the application of EduTrust Certification.

With great understanding of the EduTrust requirements, Mr John Ooi provided many useful opinions and guidance to our policies and processes to ensure meeting of the EduTrust requirements – especially we are dealing with the new GD3, which only being announced by CPE recently.

He is patient, meticulous and professional throughout the whole engagement period. It was a pleasure working with him and his contributions played a part in our EduTrust certification.

We will certainly look forward to work with him again.

Your sincerely,

Tan Teck Leng
College Director
