To Whom It May Concern

**RE: Testimonial**

We appointed Educert Pte Ltd to provide professional consultancy service in applying for the Edutrust Certification Scheme.

During the consultation period, Educert's consultants have assisted us to gain better understanding of the private education regulations, to improve on our Policies & Procedures and documentation process and to ensure that we have addressed the requirements of the Council for Private Education. As a result, we have become more efficient in terms of workflows and have obtained a 1 year Edutrust Certification with effect from 9 May 2012.

We would like to thank Mr John Ooi, the Principal Consultant, and his team for their commitment and effort in preparing us for the Edutrust Site Assessment.

Yours sincerely,
