TESTIMONIAL

Lithan Hall Academy appointed Educert Pte Ltd as our consultant for a capability upgrading project with respect to Edutrust certification (from 1-year provisional to 4-year Edutrust status). The consultancy was led by its principal consultant, Mr John Ooi, who with his team members provided us with valuable guidance on interpretation and implementation of Edutrust related processes.

As a result, Lithan Hall Academy was given the Edutrust award with a 4-year validity period on 28 Dec 2011.

We strongly recommend Educert Pte Ltd to other PEIs as a consultant for similar capability upgrading services.

Thank You and Best Regards
