Testimonial for Mr John Ooi

We engaged Educert Pte Ltd to carry out a 5-days EduTrust Assessment exercise for PSB Academy for criterion 3 & 5 in Dec 2015. In his interviews conducted during the assessment work, we found that Mr John Ooi was professional in his dealing with our staff and demonstrated systematic process thinking to reach reliable conclusions.

We also appreciated Mr John Ooi's understanding of the EduTrust requirements and he was very accommodating to our busy schedule. As an experienced assessor, he was able to identify our issues and provide recommendations to resolving them.
