TESTIMONIAL

Mr John Ooi from Educert Pte Ltd has been assisting our PEI with Edutrust. He has shown himself to be very competent on Edutrust matters. His advice and guidance has been invaluable for helping our PEI to achieve Edutrust certification. We were on a very tight schedule to get our academy ready for the submission and assessment. Mr John Ooi was able to provide us with a very clear and systematic approach to getting our policies and procedures in place.

Calvin Choo
